All ages will be able to participate. Sue will purchase and order all refreshments except for the water. Barb will attempt to obtain donated water from Aldi's. Commissioners are expected to be at the center at noon in the afternoon and return about 6:30 p.m. for the reception. A keyboard and harp will supply music during the night reception. Part of the show has been installed. Mona, (Bob), Randy, and Sue hope to finish the installation tonight. Mona and Sue will complete the clean up on Friday.
