Extension and Expiration of Building Permit:

1. All Permits, excluding Commercial and Residential New Construction Permits and Commercial and Residential Remodel Permits: Permits other than Commercial and Residential New Construction Permits and Commercial and Residential Remodel Permits must be completed within forty-five (45) days of permit issuance. Where the construction process is expected to exceed forty-five (45) days time in completion, a schedule of completion shall be provided at time of application for permit and shall be provided in the issued permit at the discretion of the Village Building Commissioner.
 - a. Where, under the authority of a permit, work has not been completed within forty-five (45) days after issuance of such permit, all rights under such permit shall thereupon terminate and work may be continued only after a Permit Extension has been issued by the Village's Building Commissioner.
2. Where, under authority of any permit, work has begun, but has ceased for a continuous thirty (30) days, all rights under such permit shall thereupon terminate and work may be continued only after a new permit, as originally required for the construction project, has been applied for and issued. If, after a period of thirty (30) days following the expiration of any permit, and no subsequent permit has been issued, all structures or portions thereof shall be removed and the site returned to its original condition.
3. Permit Extension: A Permit Extension may be given in those cases where work has commenced in a timely manner as provided in this Section, but has not been completed. A Permit Extension shall be good for one-half (1/2) the original permit time allowed for completion.
4. Permit Extension Fees: The fees for a Permit Extension shall be waived for the first renewal, provided no changes have been made on the original plans and specifications for such work. The fee for a second renewal shall be one-half (1/2) the amount of the original permit fee.
5. Permit Issuance: Upon notification of approval by the Building Department, a permittee must retrieve the approved building permit from the Building Department. All building permits must be retrieved and paid in full within 45 days of the notice date. Any building permit not paid in full and retrieved within 45 days shall expire and be invalidated.

Subject: Plan Review Fee's

Please note that during the permit application process with the Building Department for the Village of Lemont, a plan review process is conducted by the Lemont Fire Protection District also as specified by local ordinance. Under Ordinance # 08-03 of the Lemont Fire Protection District authorizes the District to establish and charge a plan review fee for the following areas of concern. They are:

- Installation, Alteration to an automatic sprinkler system \$200.00
- Installation of a Fire Detection and Alarm System \$200.00
- Alternative Fire Suppression System- Fixed Extinguishing System \$50.00 per hour with One hour minimum
- Above ground and/or underground storage tank install/inspection \$200.00
- Above ground and/or underground storage tank removal/inspection \$200.00
- Temporary Structures-tents canopies-membrane \$50.00 per unit

These fees will be billed by the District and should be paid by the time the project or installation is completed and approved by this Agency.

These fees are in addition to any fees and/or charges as specified by the Village of Lemont.
