Permit Requirements: Work must be done in accordance with the Illinois Plumbing Code. Parkways must be restored to their original condition within 2 weeks of installation of water service. Any sidewalk which is damaged or removed must be replaced immediately. Excavations on private property shall be compacted, leveled and restored to natural grade within 6 months of the date of the issuance of the permit. Contractor is responsible to ensure that excavation is performed in a safe manner and suitable protection for the general public shall be provided. Plumbing inspection required prior to backfill. Interior final plumbing inspection and meter grounding inspection (electrical) is required after installation of water meter. Call 630-257-1580 to schedule inspections and 630-257-2532 to obtain water meter. **Failure to request a final inspection will result in a fine according to Village of Lemont Code Section 15.00.090 (B) (2) (W)/Penalty Section 15.00.160 (A).**

Plan Review Contact Information: List any persons here that you want to receive a copy of the plan review once completed.

Extension and Expiration of Building Permit:

1. All Permits, excluding Commercial and Residential New Construction Permits and Commercial and Residential Remodel Permits: Permits other than Commercial and Residential New Construction Permits and Commercial and Residential Remodel Permits must be completed within forty-five (45) days of permit issuance. Where the construction process is expected to exceed forty-five (45) days time in completion, a schedule of completion shall be provided at time of application for permit and shall be provided in the issued permit at the discretion of the Village Building Commissioner.
 - a. Where, under the authority of a permit, work has not been completed within forty-five (45) days after issuance of such permit, all rights under such permit shall thereupon terminate and work may be continued only after a Permit Extension has been issued by the Village's Building Commissioner.
2. Where, under authority of any permit, work has begun, but has ceased for a continuous thirty (30) days, all rights under such permit shall thereupon terminate and work may be continued only after a new permit, as originally required for the construction project, has been applied for and issued. If, after a period of thirty (30) days following the expiration of any permit, and no subsequent permit has been issued, all structures of portions thereof shall be removed and the site returned to its original condition.
3. Permit Extension: A Permit Extension may be given in those cases where work has commenced in a timely manner as provided in this Section, but has not been completed. A Permit Extension shall be good for one-half (1/2) the original permit time allowed for completion.
4. Permit Extension Fees: The fees for a Permit Extension shall be waived for the first renewal, provided no changes have been made on the original plans and specifications for such work. The fee for a second renewal shall be one-half (1/2) the amount of the original permit fee.
5. Permit Issuance: Upon notification of approval by the Building Department, a permittee must retrieve the approved building permit from the Building Department. All building permits must be retrieved and paid in full within 45 days of the notice date. Any building permit not paid in full and retrieved within 45 days shall expire and be invalidated.

Address _____

Below is a rough guide for figuring the size of a water service in a residential home. Multiply the number of specific fixtures by the value shown, and then total.

The purpose of this is to try to notify builders of undersized water services prior to issuance of the permit.

WATER SUPPLY FIXTURE UNITS	# OF FIXTURES		TOTALS
Toilet		X 3 ea	
Bidet		X 1 ea	
Lavatory		X 1 ea	
Service sink/laundry tub		X 3 ea	
Kitchen sink		X 2 ea	
Laundry machine/Guy gray box		X 2 ea	
Dishwasher		X 1 ea	
Bathtub/shower stall		X 2 ea	
TOTAL W.S.F.U. -----			

<u>If the total is:</u>	Less than 30	1" service	3/4" water meter
	30 to 34	1" service	1" water meter
	35 to 59	1-1/4" service	1" water meter
	60 to 99	1-1/2" service	1-1/2" water meter
	100 to 119	1-1/2" service	2" water meter

If you have any questions, please contact the plumbing inspectors.
