Contractor:	Telephone:

- A permit extension may be given in those cases where work has commenced in a timely manner, but has not been completed. A permit extension shall be good for one half (1/2) the original permit time allowed for completion.
- The fees for a permit extension shall be waived for the first renewal, provided no changes have been made on the original plans and specifications for work. The fee for a second renewal shall be one half (1/2) the amount of the original permit fee.
- All contractors must be licensed before permit extension will be granted.

Is this the first extension request? Yes ___ No ___
