**MEET OUR NEW MAYOR AND VILLAGE BOARD**

## From the Mayor's Desk

I am truly humbled and very much energized to be the next Mayor of Lemont. Along with the members of the board, together we are very much looking forward to serving the great people of this great town. Each member of the Village Board brings a unique skillset and perspective that will be very helpful in addressing the needs and issues of our Village. I look forward to working with each one of them, and together we look forward to serving, meeting, and hopefully exceeding the expectations of all residents. We are all here to serve you.

As your Village leaders, our goal is to provide an environment with the best possible services in the most economical and efficient manner possible. By providing such a robust environment, ultimately as a result, one of our main goals is for all home and property values to increase in value.

Each member of the board has had opportunities to meet with residents who have expressed and discussed their thoughts with us. It is through this process that our vision of specific areas of opportunity emerged, which we are very excited to share with you.

As many of you have shared with the Village Board, our biggest area of opportunity as a village is to address our economic development, empty store fronts and to grow our business base. To do this we will need to reallocate some of our limited resources and address this issue from many different angles.

Over the past several months, I have shared and discussed a dedicated economic development plan with many of you. With concurrence of the Village Board, we now ask for your input and ideas regarding the following ten-point plan:

1. Village Hall and elected officials will proactively partner with our business community.
2. Allocate dedicated resources to business and planning development. This includes the hiring of a Community Development Director and a dedicated position to work exclusively with current and future business owners.
3. Support and assist in creating newly formed merchant committees and groups.
4. Stop business leakage and increase overall marketing efforts to encourage village commerce. Let's keep Lemont businesses in Lemont.
5. Create a new business recruitment and a new business mentoring program. Research and find what businesses are lacking or missing in Lemont.
6. Strategically plan and support new business and activities that utilize our location and unique natural assets to further promote Lemont as a travel destination.
7. Partner with landlords and building owners. We will need to work with the building owners to better understand their long-term plans and rental rates, along with assisting them with potential new tenants. Assist in creating multi-use commercial and residential buildings to be more competitive from a property tax standpoint.
8. Streamline business build-outs. Determine what hurdles we can lower or eliminate.
9. Streamline new-home permitting, including all housing remodel permitting. Increased infrastructure in Lemont will increase everyone's property values. In addition, strategic housing growth will help support and grow our business commerce.
10. Prioritize current Tax Increment Finance's (TIF) and evaluate future TIF opportunities based on return on investment. Review opportunities for new business grants/ tax incentives.

The bottom line is that we need to streamline and be as efficient as possible in order to grow our property values and increase our business base while maintaining the proper adherence to our building standards. This economic development focus will obviously be in addition to providing the expected high quality services in a safe and clean environment.

Along with a dedicated plan on economic development, we will continually strive to make improvements to our customer service with residents. In addition, other opportunities of focus will be resolving our current legal lawsuits and annexation disputes.

Obtaining your input is extremely important to us. I have all of the confidence in our Village Board of Trustees, and together we will have a great four-year run in making Lemont a community to be even prouder to call home.

Again, we look forward to receiving your input and suggestions. The email address of [mayor@lemont.il.us](mailto:mayor@lemont.il.us) has been set up exclusively for residents to send ideas and suggestions regarding our ten point plan.

*Mayor John Egofske*

## Meet Your Lemont Village Board

Three new Village Trustees were elected into office on April 4, 2017, for a four year term; Ryan Kwasneski, Dave Maher and Ken McClafferty. They join current Trustees, Debby Blatzer, Rick Sniegowski and Ron Stapleton.

**Village Clerk Charlene Smollen:** Charlene retired from Lemont Bromberek SD113A after 35 years of educating the children of Lemont. She previously served on the Lemont Library Board for over seven years. Currently serving her ninth term as Village Clerk, Charlene continues to be active in the Municipal Clerk's Association of South & West Suburbs of Cook County and the Municipal Clerk's of Illinois in which she continues in professional development for the office of the Municipal Clerk. Contact Charlene at [csmollen@lemont.il.us](mailto:csmollen@lemont.il.us) or call to reach the Clerk's office at 630-257-1590.

**Trustee Debby Blatzer:** Currently serving her fifth term as Village Trustee, Debby was elected in April of 1999 and is the liaison for Public Works. Debby has lived in Lemont since 1993 and is an Assistant Dean at Moraine Valley Community College where she has worked since 2009. Debby can be contacted at [dblutzer@lemont.il.us](mailto:dblutzer@lemont.il.us) or leave a message at 630-257-1550 ext. 2792.

**Trustee Ryan Kwasneski:** Ryan is a life-long resident of Lemont and served on the Planning and Zoning Commission from 2011-2017. He obtained a degree in marketing and political science at Illinois State University and is currently employed at Launch Digital Marketing in Naperville as Regional Director. Ryan is the liaison for Marketing & Communications. To contact Ryan, email [rkwasneski@lemont.il.us](mailto:rkwasneski@lemont.il.us) or leave a message at 630-257-1550 ext. 2795.

**Trustee Dave Maher:** Dave grew up in Orland Park and moved to Lemont in 2002. He served on the Planning & Zoning Commission from 2009-2017. Dave holds a Bachelor's degree in Industrial Engineering from Northern Illinois University. He is employed at a Fortune 100 company as a Director of IT. Dave is the Heritage Quarry and Recreation liaison. To contact Dave, email [dmaher@lemont.il.us](mailto:dmaher@lemont.il.us) or leave a message at 630-257-1550 ext. 2794.

**Trustee Ken McClafferty:** Born in Ireland, Ken moved to America at the age of 21. He was a co-founder of a general contracting business, and then founder of Shorlan Group, which builds custom homes in the southwest suburbs. Ken is also a realtor with Coldwell Banker in Lockport. He is the liaison for Economic Development. To contact Ken, email [kmclafferty@lemont.il.us](mailto:kmclafferty@lemont.il.us) or leave a message at 630-257-1550 ext. 2793.

**Trustee Rick Sniegowski:** Rick previously served on and chaired the Planning & Zoning Commission from 1992-1995 and again in 2008-2009, was appointed as Village Trustee in 2009, and then elected as Village Trustee in 2011. Since his term as Trustee, he has served as the board liaison for Finance. Rick is a life-long Lemont resident and current Vice President of K-Five Construction Corporation where he has been employed for over 40 years. Rick is the liaison to Finance and Public Safety. To contact Rick, email [rsniegowski@lemont.il.us](mailto:rsniegowski@lemont.il.us) or leave a message at 630-257-1550 ext. 2796.

**Trustee Ron Stapleton:** Ron moved to Lemont from Chicago in 1989 and shortly after began his career as a realtor. He volunteered as a member of Downtown Lemont Inc., a National Main Street 501c3 program, was a member of the Planning & Zoning Commission from 1995-2003, and was elected as Trustee in 2003. Serving in his fourth term, Ron will continue to serve as the Planning and Zoning liaison and the liaison to both the Art & Culture Commission and Historic Preservation Commission. Ron can be contacted at [rstapleton@lemont.il.us](mailto:rstapleton@lemont.il.us) or leave a message at 630-257-1550 ext. 2791.

# SEASONAL REMINDERS

## **BOAT, CAMPER, TRAILER STORAGE / PARKING**

Village ordinance requires that boats, campers or trailers may only be stored/parked at a residence if located in a garage or other fully enclosed structure that substantially conceals them from public view. A boat, camper, or trailer may be parked at a residence for the purpose of loading or unloading for no more than 8 consecutive hours or 12 hours in a 24-hour period.

Non-compliance may result in fines. Any questions regarding the ordinance should be addressed to the Village Code Enforcement Officer at (630) 243-2704.

## **ODD-EVEN WATERING REGULATIONS IN EFFECT**

Properties with an odd number address may water on odd-numbered calendar days. Properties with an even numbered address may water on even numbered calendar days. Furthermore, no lawn sprinkling is allowed from the Village water system between the hours of 10 a.m. - 6 p.m. Odd-even regulations apply until October 1. On the day new sod is laid, residents may water freely (no permit required). Thereafter, the odd-even regulations apply.

## **SWIMMING POOLS**

Swimming pools 24" and higher require a building permit and a 5' protective barrier. Call (630) 257-1580 for more information.

## **LAWN SPRINKLER AND COMMERCIAL RPZ VALVE CERTIFICATION**

The Village of Lemont has contracted with Backflow Solutions, Inc. (BSI) to administer our cross-connection control/backflow tracking program. The Village will be utilizing BSI Online for all test report submittals.

All annual backflow assembly test reports must be

submitted electronically via the BSI Online system at [www.bsionlinetracking.com](http://www.bsionlinetracking.com) by the testing company. Please note there is a filing fee of \$12.95 per test report submitted.

Each resident who owns a backflow assembly (RPZ valve) will be sent a notification letter from BSI with a Customer Confirmation Number (CCN). This number must be given to the tester in order for the reports to be properly filed with BSI.

For any questions regarding this program, please contact BSI via e-mail ([bsionline@backflow.com](mailto:bsionline@backflow.com)) or phone (800) 414-4990.

Any residents wishing to permanently disconnect their lawn sprinkling system must contact the Village of Lemont Building Department at (630) 257-1580.

## **MOSQUITO ABATEMENT**

The Public Works Department manages the Village's mosquito abatement program. Residential spraying will be limited only to periods of excessive annoyance and storm drains will be treated regularly. Advance notice before spraying will be given upon request: (630) 257-2532. *Sign up to receive notification via "Stay Informed" – Public Works Notifications.*

## **How Can You Help?**

- Promptly remove standing water from all pots, containers, and tire swings around the yard. Mosquitoes can develop in only five days.
- Keep weeds and grass mowed.
- Keep gutters free of leaves and debris so water runs freely.
- Change the water in bird baths once a week.
- Clean and chlorinate swimming pools, outdoor saunas, and hot tubs regularly.
- Drain water from pool covers.

## **2016 WATER QUALITY REPORT**

Our 2016 Water Quality Report in Lemont has met all the USEPA drinking water requirements and standards. Each year, the Village of Lemont provides its customers with an Annual Water Quality Report to let them know how our water quality stacks up against established Federal and State drinking water standards. We encourage you to review this report, as it provides details about the source and quality of the drinking water delivered to our community in 2016.

Visit our website to view the water quality report at: [www.lemont.il.us/2016WaterReport](http://www.lemont.il.us/2016WaterReport).

If you wish to have a paper copy, you can print one directly from our website. You can also receive a printed version by contacting our Public Works Department at (630) 257-2532 or email [vlemont@lemont.il.us](mailto:vlemont@lemont.il.us) with your request. Paper copies are also available at the Village Hall at 418 Main Street.

## **STORM COMMUNICATIONS**

As with any emergency situation, the best defense is being prepared. ComEd has implemented several methods for residents to report electrical outages. We encourage residents to visit ComEd's website at [www.comed.com](http://www.comed.com) to learn about how to report and check the status of electrical outages. You can report an electric outage online, via text message, mobile app or on ComEd's Facebook app. There is an outage map you can view and you can also receive text messages, emails or phone alerts when there are outages in our area. It's smart to be prepared before your lights go out. Visit [www.comed.com](http://www.comed.com) today!

## LEMONT POLICE DEPARTMENT DRUG EDUCATION PROGRAM

On Thursday, May 11, SS. Cyril & Methodius 5th graders graduated from the Lemont Police Department Drug Education Program. The class completed 12 weeks of life skills training, and received their certificates from Chief Marc Maton. During the 12 week class, students learned about the dangers of drugs and drug resistance. Students also learned about the importance of being safe while using social media and the dangers that can occur on social media.

Pictured below is Mrs. West's 5th grade class from St. Cyril's. The class had their picture taken around the Lemont Kops-N-Kidz squad. The squad was refurbished by donations from various sponsors and is now used as part of the life skills education program, and featured at car shows and other special events.

## LEMONT POLICE DEPARTMENT OFFERS DAT CLASSES

The growing problem of heroin continues to ruin people's lives. The Lemont Police Department has a Drug, Alcohol and Tobacco awareness program that is open to teens and young adults. This DAT program educates young people about the dangers of chemicals and the affects they have on your body, life and loved ones.

Knowledge is Power - Teenagers and young adults can be exposed to and tempted to try chemical substances in today's world. Provide them with the knowledge of the dangers of heroin, heroin substitutes, street drugs, prescription drugs, alcohol, tobacco and the wide variety of chemical dangers they may come in contact with by enrolling them in the DAT program.

The DAT program is for young adults, ages 12-21. Parents, guardians or grandparents can register those ages 12-17 and anyone ages 18-21 may register themselves. Classes run 1 ½ hours for two nights, Monday and Wednesday, and start promptly at 5:00 p.m. and finish at 6:30 p.m. Cost of the two-night class is \$50.00, payable the first night by cash or money order.

The dates for summer classes held at the Lemont Police Station at 14600 127th Street are: **June 26 & 28 | July 24 & 26 | August 28 & 30**

DAT evening classes are held year-round, typically the last Monday and Wednesday of each month.

To enroll, please call Denise Bode at 815-545-8042 and provide the name, address, phone number and age of the person attending, along with which dates they will attend. For more information on DAT classes, please call Denise at 815-545-8042 or email [dbode@lemont.il.us](mailto:dbode@lemont.il.us).

## AT YOUR DOOR SPECIAL COLLECTION SERVICE

The Village of Lemont, through Waste Management, has implemented the At Your Door Special Collection service. This service was implemented as a solution to the ever-increasing inquiries from residents about where to dispose of recyclable and hazardous waste items. A resident survey resulted in an overwhelming acceptance of such a program. The At Your Door Service is available to single and multi-family homes that are covered under our current Waste Management agreement. The monthly fee of \$1.25 will be added to residents quarterly Waste Management invoice; this is not an opt-out service.

Through this program, you can schedule a collection of these materials right from your home. Acceptable materials for pickup include:

- Automotive Products (used motor oil, oil filters and batteries)
- Garden Chemicals (pesticides, herbicides, weed killers, etc.)
- Paint Products
- Household Cleaners
- Swimming Pool Chemicals
- Electronics (TV's, computers, monitors and more)
- Household Batteries
- Fluorescent tubes and Compact Fluorescent Lamps (CFL)
- Thermometers and thermostats

Schedule your pickup in one of these three easy ways:

- Go to [WWW.WMATYOURDOOR.COM](http://WWW.WMATYOURDOOR.COM)
- Call 1-800-449-7587 (M-F, 7am-7pm CT)
- Email [ATYOURDOOR@WM.COM](mailto:ATYOURDOOR@WM.COM)

Thank you to all the residents who took the time to take and submit the survey. We certainly hope all residents will utilize the At Your Door Service to properly dispose of all recyclable material in this safe and proper method, through the At Your Door Special Collection Service.

## COMMUNICATION IS THE KEY

---

The Village of Lemont utilizes many different forms of communication exchange with our residents. Below are a few ways to receive and report information.

### Sign Up to Stay Informed

**Stay Informed** is our main form of communicating information to residents on news, events, changes and updates related to the Village by sending messages via email and/or mobile text. This allows us to get information to you in a timely manner. Topics range from emergency notifications, road closures, found dogs, safety issues, to events, Mayor, Board and Village Administrator notifications and more.

Sign up to receive messages:

1. Visit our website at [www.lemont.il.us](http://www.lemont.il.us).
2. Click on "Stay Informed" on the feature bar across the bottom of the page.
3. Follow the instructions to sign up and check the information you want to receive and how you want to receive it – via email and/or mobile text. Creating a login eliminates any potential spam.
4. Once signed up, you will receive a verification message(s) from CivicPlus, our webhost company, that you must respond to in order to start receiving messages.

Once signed up, you can sign in at any time to view previously sent messages, update your personal information and modify what information you receive.

### Report a Concern

This is a non-emergency reporting and tracking tool that allows you to submit a concern from a list of items, i.e., pothole reporting, streetlight outage, vacant property concern, public safety issues, etc.

To report a concern, select it from the feature bar across the bottom of our website page. Click on "Login" at the box on the right. Either sign in or create an account. An anonymous login is also available. Once logged in you simply click on any topic related to your issue, complete the information and submit the form. This information is sent to the assigned department to address the issue. Please call 911 for any safety issue that needs to be addressed immediately.

### Mobile App

Our mobile app allows you to have the tools you need right at your fingertips to access information 24/7. It's connected directly to our website, providing you with the most current information, making it easy for you to access services you need, when you need them. It is compatible with both iOS and Android mobile devices. Simply go to a mobile app store and search "Village of Lemont" to download.

### Community Calendar

Our Community Calendar is packed with information submitted from organizations and businesses all around town. Visit our website at [www.lemont.il.us](http://www.lemont.il.us) and scroll down the front page to the calendar. Click on "View All" to go to the main calendar page. You can also subscribe to iCalendar which allows users to import Internet calendars and/or events into their personal calendar applications, like Google Calendar, Apple iCal, Microsoft Outlook, etc.

### Like us on Facebook

Be sure to check out our Facebook page, "Village of Lemont," as we post topics of interest during the week along with event happenings and other information. It's a great way to find out what's going on around town.

For further communication information or suggestions, please email [lmolitor@lemont.il.us](mailto:lmolitor@lemont.il.us) or call 630-257-1590.

No Market July 4th

**Note: Join the Township's Free Casual Walking Group | Starts at 3:00 p.m. every Tuesday before the Market.**

The Lemont Chamber of Commerce is happy to announce the new Artisan Market on Tuesday's from 4:00 p.m. to 7:00 p.m. through September 26. The Artisan Market, formerly known as the Farmers Market, has moved uptown to the Township Community Center located at 16300 Alba Street (entrance is off Timberline Drive, behind Pepper's Auto Care on 127th Street). It will feature vendor favorites such as Gemini Sweets & Savory, Eight Hands Soap and Parmesan's, to new vendors including Ben's Pretzels, Urban Ensembles, Rich's Sharpening Service, Otto Brandt Wines and most notably, M & D Farms of Homer Glen carrying locally grown vegetables, fruits, plants, baskets, honey and more.

Live entertainment and special events will also be featured throughout the market season.

## AVAILABLE PROPERTIES

---

Lemont is a desirable and charming community to start or expand your business in. Our Community Development Department is available to assist you in locating land or buildings that would accommodate your company's needs. The Village maintains a list of available commercial buildings and properties, including the real estate agents listing for the following types:

**INDUSTRIAL PROPERTIES FOR LEASE OR SALE | LAND FOR SALE | MIXED USE PROPERTIES**

**OFFICE PROPERTIES FOR LEASE OR SALE | RETAIL PROPERTIES FOR LEASE OR SALE**

Whether you're thinking about purchasing property, opening up a new business or have an existing business, we are here to help you through this process and address any issues you are experiencing. The Community Development Department can provide market opportunity reports and discuss zoning, and inform you of allowable uses, regulations and requirements for all available properties.

Zoning districts exist for the Village and each district has a list of allowable uses for all properties within these districts which regulates aspects of a development. It is most important before purchasing or leasing a property to find out what the allowable uses are for a property within a district. The Community Development Department can help you determine whether or not your business would be permitted on a particular site.

For any assistance or inquiries, please contact our Village Planner at 630-257-1582.

## DOWNTOWN LEMONT MERCHANTS ALLIANCE

---

The downtown Lemont business owners are excited to introduce our new business organization called the “Downtown Lemont Merchants Alliance”; with “Alliance” being the operative word. The downtown merchants enjoy the loyalty and patronage of Lemont residents and strive to provide customers with a unique hometown shopping experience. With so many diverse businesses in our downtown, the Alliance was formed to create and maintain a cohesive and consistent experience. We will work together with the Village of Lemont and Lemont Chamber of Commerce to continue to strive to provide residents and the surrounding communities with a truly inviting downtown.

We invite our downtown merchants to join our Alliance, and encourage all residents to become engaged on the progress of our organization. In the near future, we will be creating a webpage on the Village’s website which will also be accessible from their mobile app. In addition, we will create a Facebook page and utilize other social media avenues to showcase unique and exclusive experiences from all participating downtown merchants.

Finally, thank you to all of our customers who patronize our businesses and to the Village of Lemont and Village Board for being open to this new initiative. We look forward to your continued support, and together we will continue to enhance an already charming and wonderful downtown.
