Volume XXIII, No. 2  
June 2014

## News & Information for Residents

The Village of Lemont is dedicated to promoting and preserving the character of the community and ensuring a high quality of life through professional public service provided in a friendly, consistent, and fiscally responsible manner, emphasizing the best interest of the community as a whole.

*Fish, boat, hike.... Take advantage of our beautiful Heritage Quarries Recreation Area this summer.*

## From the Mayor's Desk

We finally get to welcome the long awaited warm weather along with the many special events planned in our community. Our Farmer's Market is growing each season with additional vendors. Stop by the market each Tuesday from 8:00 a.m. – 1:00 p.m. at Talcott Square. The Village along with the Lemont Park District is hosting a Sunset Soiree Concert Series. These free concerts will be held on various dates throughout the summer, most of which will be in downtown Lemont on Stephen Street. The Chamber will again host Lemont Legends Cruise Nights every Wednesday through August in downtown Lemont. For details on all these events and others, check out the Lemont Community Calendar at [www.lemont.il.us/CommunityCalendar](http://www.lemont.il.us/CommunityCalendar).

### Mayor's Drive for Charity

The annual Mayor's Drive for Charity was held on April 28. We had another successful turnout and raised approximately \$35,000. Checks were distributed to area charity and service organizations at our June 23 Village Board meeting. I'd like to thank all of our sponsors, raffle item donors, volunteers and golfers who contributed tremendously to make this event a success. These organizations give back so much to others in our community; whether they provide food and shelter to those in need, help those fighting cancer and the disabled, or guide our youth to become better citizens, we are grateful for their existence. Thanks again to all of our supporters in helping these organizations reach their own goals.

### Electric Aggregation

The electric supply rate for residents being supplied by ComEd increased on June 1 to 7.596 cents/kWh. However, residents that are enrolled with FirstEnergy Solutions through the Village of Lemont's plan will continue to see savings with a contracted rate at 4.83 cents/kWh. Residents will continue to receive this savings through the contract term which will expire this October. If a resident did not initially take advantage of this offer, they are able to

## From the Mayor's Desk

enroll through the rest of the contract term by contacting FirstEnergy Solutions directly at (866) 636-3749. In the spring of 2012, the Village joined with 15 other Will County communities to form the Will County Governmental Electric Aggregation Group (WEAG), which I serve as the Committee Chair. This group was formed to receive better rates for residents by pooling together the many communities. Negotiations will begin this summer for a new fixed rate contract with an electrical supplier, and it is expected that we will continue to see a savings over the ComEd electricity supply rate.

### **Construction Projects**

#### ***Water Main Replacement***

Replacement of three water mains will take place this summer which include:

Warner Avenue (Phase 1) – South of Weimer Avenue to Peiffer Avenue  
Warner Avenue (Phase 2) – Peiffer Avenue to Norton Avenue  
East Street – North of Lintz Street

These sections of water main require continuous repair and will be replaced with new ductile iron water main. This work should be completed by the end of June.

#### ***Main Street Paver Replacement***

The Village also plans on replacing the brick pavers on Main Street, from State Street to Holmes Avenue. The new pavers will be similar to the new pavers on Canal Street, and will be installed to be ADA compliant. The project will be constructed block by block in order to keep disturbances with the businesses to a minimum, as well as to not conflict with Village sponsored summer events taking place in downtown Lemont. The work should commence in early July and be completed by mid-August.

#### ***Street Resurfacing***

The Village plans to resurface almost two miles of residential streets. This work should commence in late June and be completed by late July. Residents who will have their streets resurfaced will be notified by letter prior to the start of work in order to avoid inconvenience.

#### **MWRD Lemont Plant Expansion Update**

Many of us in the downtown area of Lemont have been feeling the trembles from the blasting at the MWRD Wet Weather Treatment Facility off Stephen Street. This expansion project at the treatment facility will help improve storm water management and will reduce the destruction caused by future strong weather systems in our region.

As initially indicated in our December newsletter, part of this project involves rock blasting and removal for construction of a new wet weather reservoir and wet well. The blasting portion of the project is expected to be completed in June. We have been informed that the blasts will be generally occurring three times a day; one in the morning, one around noon and one in the late afternoon. Once this is completed, rock anchors and rebar work will start mid to late summer and continue until winter 2014. Utility work onsite and at the Stephen Street facility entrance is projected to start in mid-summer as well. Updates can be found at [www.lemont.il.us/mwrdfacility](http://www.lemont.il.us/mwrdfacility).

*Brian K. Reaves, Mayor*

### **It's Swimming Pool Season:**

**Swimming pools 24" and higher require a building permit and a 5' protective barrier.  
Call (630) 257-1580 for more information.**

## Collection and Disposal Agreement

The Village Board approved an eight year contract with Waste Management for the Village's refuse, recycling and landscape collection and disposal. As part of this contract, during the first year residents will see a 13% decrease in their monthly fee from what was previously being paid. Seniors that are 65 years of age or older and occupy their dwelling will receive an 18% monthly decrease. Although there is a slight increase in subsequent years, the rate does not increase above what residents were paying until the 2020 contract year. Seniors are able to receive assistance for a senior discount signup at the Village Hall.

In addition, as part of the contract, residents can receive a free upgrade to your recycling cart through July 31, 2014. Residents can choose to exchange their existing 32 or 64-gallon recycling cart for a 96-gallon recycling cart to allow for greater weekly recycling capacity. Residents received notification and instructions in the mail from Waste Management on how to exchange your cart. Please choose only one method of exchange, as doing more than one option will result in additional requests to the same address.

If you have any questions concerning this exchange, please contact Waste Management's customer service department directly at (800) 796-9696 and enter your zip code at the prompt.

## 2013 Water Quality Report

Our 2013 water quality in Lemont has met all of the USEPA drinking water requirements and standards. Each year, the Village of Lemont provides its customers with an Annual Water Quality Report to let them know how our water quality stacks up against established federal and state drinking water standards. We encourage you to review this report, as it provides details about the source and quality of the drinking water delivered to our community in 2013.

Visit our website to view the water quality report at [www.lemont.il.us/2013WaterReport](http://www.lemont.il.us/2013WaterReport). If you wish to have a paper copy, you can print one directly from our website. You can also receive a printed version by contacting our Public Works Department at (630) 257-2532 or email [vlemont@lemont.il.us](mailto:vlemont@lemont.il.us) with your request. Paper copies are also available at the Village Hall at 418 Main Street.

## For Community Organizations, Summer is Event Season! Use Our Community Calendar to Avoid Conflicts

Community organizations are encouraged to send your event information to the Village for posting on our Village Community Calendar. Send all pertinent details and include a flyer if you have one to [dpecina@lemont.il.us](mailto:dpecina@lemont.il.us). When planning an event, check your event date against the dates of the events already shown in the Community Calendar to avoid potential conflicts with your event.

Always remember to check if a Special Event Permit is required from the Village for your event. If you are unsure if your event requires a Special Event Permit, please call the Village. Permit applications should be filed at least 30 days in advance of your event date or are subject to a late fee. For questions on Special Event Permits or the permitting process, call (630) 243-2700. For a current listing of community events, visit [www.lemont.il.us/CommunityCalendar](http://www.lemont.il.us/CommunityCalendar).

## Fair Housing Act

The Village of Lemont is committed to furthering fair housing within our community. Fair housing is a right protected by law. The Fair Housing Act coupled with our local ordinance prohibits discrimination in housing because of race, color, national origin, religion, sex, a familiar status or physical or mental handicap /disability, age, sexual orientation, marital status, military discharge status, source of income, gender identity, housing status, parental status and other protected classes as provided by law. The protected classes prohibit a property owner or manager from taking any of the following actions: refuse to rent or sell housing; refuse to negotiate for housing; make housing unavailable; set different terms, conditions, or privileges for sale or rental of a dwelling. To report a fair housing violation please contact the Planning & Economic Development Department, (630) 257-1595 for a Fair Housing Complaint Form.

## Emerald Ash Borer

The Village of Lemont's ash tree population has been devastated in 2014 due to the Emerald Ash Borer infestation. This infestation has been identified in 22 states and Canada, with ash tree losses well over 110 million.

In 2010, the infestation was identified in the Village of Lemont. Chemical treatments were not guaranteed to be effective, and currently are still not proven to work over time. Based on the recommendations of two certified arborists and the Director of Public Works, the Village Board made a decision not to treat the Village's affected ash trees. This difficult decision was made in order to make the most effective use of the Village's resources available to deal with a natural disaster of this magnitude.

The Village is currently working towards mass removals in the hardest impacted areas such as Glenys, Sara, Alpine, McCarthy Point and Old Derby subdivisions. The Village is also in the process of securing the best prices for residents for ash tree removals on private property and for replanting options. This information will be posted on the Village of Lemont's website soon. Please call the Public Works Department with any questions at (630) 257-2532.

### Residents Asked to Monitor Ash Trees:

Although the Public Works Department conducts routine visual inspections, residents are being asked to monitor ash trees particularly in the parkway for signs of distress. The borer kills trees from the inside out, planting eggs inside ash trees. The larvae then eat the tissue of the tree causing it to die. The beetles emerge shortly after Memorial Day and spread to other trees. The signs to watch for are:

- Die-back at the crown of the tree.
- "S" Shaped galleys or tunnels on tree trunks.
- "D" Shaped emergence holes.

For more information, call Public Works at (630) 257-2532.

## Window or Door Replacement

As of June 1, the Village will no longer be requiring permits for window or door replacement **unless** the rough opening of the window or door is being changed. **Any contractor doing window or door replacement will still be required to be licensed through the Village.**

## Boat, Camper, Trailer Storage/Parking

Village ordinance requires that boats, campers or trailers may only be stored/parked at a residence if located in a garage or other fully enclosed structure that substantially conceals them from public view. A boat, camper or trailer may be parked at a residence for the purpose of loading or unloading for no more than 8 consecutive hours or 12 hours in a 24-hour period.

Non-compliance may result in fines. Any questions regarding the ordinance should be addressed to the Village Code Enforcement Officer at (630) 243-2704.

## Lawn Sprinkler Valves Require Testing Annually

Lawn Sprinkler RPZ valves **must be tested annually** by a certified technician to prevent contamination of the public water supply by faulty valves.

The inspection certificate must be submitted to the Building Department following the inspection. A list of certified inspectors can be found on the Village web site at [www.lemont.il.us](http://www.lemont.il.us).

## Odd-Even Watering Regulations Are In Effect

Properties with an odd number address may water on odd numbered calendar days. Properties with an even numbered address may water on even numbered calendar days. Furthermore, no lawn sprinkling is allowed from the Village water system between the hours of 10 a.m. - 6 p.m. Odd-even regulations apply until October 1. On the day new sod is laid, residents may water freely (no permit required). Thereafter, the odd-even regulations apply.

## Mosquito Abatement

The Public Works Department manages the Village's mosquito abatement program. Residential spraying will be limited only to periods of excessive annoyance and storm drains will be treated regularly. Advance notice before spraying will be given upon request: (630) 257-2532.

### How Can You Help?

- Promptly remove standing water from all pots, containers, and tire swings around the yard. Mosquitoes can develop in only five days.
- Keep weeds and grass mowed.
- Keep gutters free of leaves and debris so water runs freely.
- Change the water in bird baths once a week.
- Clean and chlorinate swimming pools, outdoor saunas, and hot tubs regularly.
- Drain water from pool covers.

## Commission Vacancies

The Art & Culture Commission has two appointed positions open for commissioners. The Commission meets on the second Tuesday of each month (except December) at 7:00 p.m. If you are interested in promoting the cultural environment of our community, and would like to apply, applications are located on the Village website, [www.lemont.il.us](http://www.lemont.il.us), at the Lemont Center for the Arts, Lemont Village Hall, or call (630) 257-1590. The Lemont Center for the Arts is located at 1243 State Street, Unit 101, Lemont, IL.

The Planning & Zoning Commission has one appointed position open for a commissioner. The Commission meets on the third Wednesday of each month at 6:30 p.m. in the Village Board Room. The PZC conducts reviews and makes recommendations to the Village Board of Trustees about proposed zoning actions and various planning documents. If you are interested in serving on this Commission, and would like to apply, applications are located on the Village website, [www.lemont.il.us](http://www.lemont.il.us), Lemont Village Hall, or call (630) 257-1590.

Lemont Farmers Market is Open  
Every Tuesday - 8:00 a.m. to 1:00 p.m.  
**Talcott Square Parking Lot (Stephen & Talcott Street)**  
*Behind StoneHouse Pub and La Dolce Vita*  
For more information or a list of current vendors, go to  
[www.lemont.il.us/FarmersMarket](http://www.lemont.il.us/FarmersMarket)

**Curfew hours: Ages 17 and up: No curfew**  
**Age 13 - 16: Sunday - Thursday, 11:00 p.m. - 6:00 a.m.; Friday - Saturday 12:01 a.m. to 6:00 a.m.**  
**Age 12 and under: 9:00 p.m. to 6:00 a.m.**

**Fireworks are illegal. Don't take chances! Celebrate safely at our Community Fireworks on July 3 - Dusk.**
