Electric Aggregation

Letters announcing FirstEnergy Solutions as our electric supplier should have been received by Village residents. We look forward to the implementation of the program and for participants with FirstEnergy Solutions to begin seeing the savings on their ComEd bill. The majority of the account transitions will take place in October with the remainder wrapping up in November. Participating residents and small businesses are expected to see a 42% savings or about \$300 per year for the average household.

Benefits to our program include no early termination fee for residents if they decide to leave the program prior to the two year contract term. If residents initially chose to opt out of our program and then later decide to join, you can do so with no fee by contacting FirstEnergy Solutions during the contract term. Also, should ComEd's rate drop below the current aggregation price, FirstEnergy Solutions must match the rate offered by ComEd, or terminate their service and return the participants to ComEd.

Residents who have already contracted with another supplier have the ability to opt in to the Village's program with FirstEnergy. You are advised to contact your current supplier to determine whether you are subject to an early termination fee. If you then choose to go with FirstEnergy, contact them directly and they will assist you. It's important to know that ComEd imposes a 12-month stay period. This means that if you are with a different supplier and switch back to ComEd, you must switch to a new supplier within two months or you will be subject to stay with ComEd for a 12-month period.

Village Hall Temporary Location

We have settled nicely into our temporary location at Central School, 410 McCarthy Road, while the Village Hall is in the midst of its renovation. Progress is on schedule, and we expect to be back in our Main Street location by December. As a reminder, the Village Board Meetings,

Mayor's Message cont'd on p. 2

From the Mayor's Desk

scheduled on the second and fourth Monday's of each month at 7:00 p.m., are being held at the Police Department. We do not have the ability to do live broadcasting from there, so the rebroadcasts of the Village Board Meetings can be viewed on Comcast Cable, Channel 6, the Thursday and Monday following the meetings at noon, 5:00 p.m. and 8:00 p.m.

Solicitation in Lemont

The Village Board recently passed an ordinance to amend our Village Code as it relates to solicitation to be within the jurisdiction pursuant to the recent changes to the Illinois Municipal Code (65 ILCS 5/11-80-9). This will affect solicitation taking place in the public way, better known as "Tag Day," and solicitation not occurring on the public way, i.e., door-to-door, out of vehicles or other requested locations.

Many local and surrounding charitable and non-profit organizations rely on Tag Days as a key means of fundraising. Below are the amended requirements so you are prepared for your next Tag Day event:

- *A Certificate of Registration form must be completed with the required information no later than 10 days before the date the solicitation is to begin. Forms are available from the Administration Department at the Village Hall (Central School).*
- *Proof of a valid liability insurance policy in the amount of at least \$1,000,000 insuring the applicant(s) against bodily injury and property damage arising out of or in connection with the solicitation is required.*
- *Any additional information as deemed necessary to process the application, such as requests for the names and identification numbers of the solicitors.*

Solicitation requests not occurring on the public way require additional information. Questions can be directed to our Administration Department.

Giving Season

With this newsletter covering the span of the Thanksgiving holiday, I want to remind residents that we have a growing number of households in our Village that continue to rely on our local food pantry. Any non-perishable food items you can donate would be greatly appreciated. Food pantry donation bins are located at the Lemont Township office lobby, the Lemont Police Department lobby, Starbucks, US Bank and at Register #1 in Chipain's Finer Foods.

The support our residents continually provide the pantry and charitable organizations in our Village is overwhelming. I am grateful and honored to be in the presence of so many that give so much to others.

Mayor Brian Reaves

Annual Water Rate Increase Effective October 1

Beginning October 1, a slight increase in the water rates will become effective. The rate for the first 4,000 gallons will increase from \$30.48 to \$31.39, and each additional thousand gallons will increase from \$5.93 per 1,000 gallons to \$6.05 per thousand. **Senior Rates remain unchanged.**

These annual incremental increases are necessary to keep up with the costs to maintain and improve the Village's water system.

Volunteers Sought for Bicycle Pedestrian Advisory Committee

In June, the Village adopted an Active Transportation Plan aimed at making Lemont a safer and more convenient place for people to walk, bike, and use transit. The plan identified infrastructure and non-infrastructure recommendations for the community's pedestrian, bicycle, and transit network. The Village is now working on implementing the plan and is seeking volunteers to serve on a Bicycle Pedestrian Advisory Committee. The committee will be working to prioritize and execute recommendations from the plan that will promote active transportation choices. If you are interested in more information, please contact Village Planner Charity Jones at cjones@lemont.il.us or (630) 257-1595.

Lemont Express Car Wash Expanding

Reconstruction of the Lemont Express Car Wash on State Street (adjacent to McDonald's) is well underway. The existing car wash was demolished, and in its place will be a new car wash that owner Bill Klump promises will be "faster, cheaper, better." The least expensive wash will be \$3.00, and Lemont Express Car Wash will offer a club plan for individuals and fleet accounts for businesses. For fun, Bill added a two-bay pet wash. "Bring Snoopy," he says, "walk him or her into their own private bath, hook the collar to the tether, and enjoy the warm water, soaps, and shampoo. Leave the clean-up to us."

Bill adds: "That we choose to invest in Lemont is a tribute to our loyal customers, as well as our elected officials and staff. Lemont is a winner, and Lemont Express Car Wash wants, and needs, to expand our presence in this village." Anticipated opening is October.

312 Canal Street Renovation Complete

The façade of 312 Canal Street, or Hennebry Hall as it was once known, is complete. The building, which dates from the late 19th century, is still in the Hennebry family. The renovation included: repair of the limestone coping, re-construction of the top courses of the parapet, replacement of the storefront and windows, repair of window stone sills, and waterproofing. Cost of the repairs exceeded \$40,000, of which the Village will contribute \$15,000 under its Downtown Façade, Sign, and Site Improvement Grant Program. The program was re-initiated in 2010, and offers reimbursement of up to 50 percent of improvement costs, up to a maximum of \$15,000. For more information on the grant program contact the Village's Planning & Economic Development Department at (630) 257-1581.

National Law Enforcement Challenge Award Winners

The International Association of Chiefs of Police recently announced the winners of the 2011 National Law Enforcement Challenge Award. The Lemont Police placed first out of 57 applicants for Municipal agencies with 11-25 police officers. This is the fourth time that the Department has placed in the National Competition. The Department has also placed four times in the State Competition.

The National Law Enforcement Challenge is a recognition program that gives agencies that take the extra steps to save lives and reduce injuries proactively through its highway safety efforts. This program promotes professionalism in traffic safety enforcement and encourages agencies to share best practices and programs with each other.

The National Award will be presented at the Law Enforcement Challenge Luncheon at the International Association of Chiefs of Police Annual Conference in San Diego, California.

Halloween Safety Tips From the Police Department

Trick or Treaters should be accompanied by a trusted adult. Older children going alone should have a set time to return within the trick or treating hours. Have them wear a watch and carry a cell phone.

Costumes using make-up and face paint are safer than an ill-fitting mask. Children should wear comfortable, light colored clothing that is flame retardant and short enough to avoid tripping. Reflective tape on costumes, glow necklaces, flashing buttons and flashlights will all help make them stand out in the dark. Costume props should be flexible and not sharp.

Remind children of pedestrian and stranger safety rules and to only cross streets at intersections and crosswalks. Obey all traffic signs and signals. Stop, look left-right-left again and listen for cars. Walk, don't run across streets. Walk on sidewalks or on the left side of the street facing traffic.

Never allow a child to eat a treat that has not been checked by a responsible adult. Discard fruit, unwrapped items, homemade goodies or any treat with a loose or torn wrapper.

When Using Cell Phones to Call 911

When you call 911 from your cell phone, the nearest available cell tower transmits your cell signal to the 911 dispatch center. **Unfortunately, the available cell tower may be in a different city or county from where the emergency is located, so you may be talking to the wrong 911 dispatch center.**

When the 911 dispatch center answers your cellular call, make sure you give the address and town where you need emergency assistance. Request "Lemont Police" if the emergency is in the Village. The 911 dispatch center can transfer your cell call to the correct 911 dispatch center immediately. This will save time and improve response.

Receive Important Text Messages from the Village

Residents now have the ability to receive important text message notifications to your cell phone from the Village. Simply text our zip code, 60439, to 888777. There is no charge for this service. However, standard text messaging rates through your phone service will apply. You can opt-out any time by texting "stop" to 888777.
