Lemont Police Department Has Moved To
14600 127th Street
Phone: (630) 257-2229

A dedication ceremony for the Police facility at 14600 127th Street was held on May 8. The community is invited to attend an open house and tour of the new station on June 27, 10:00 a.m. to 12:00 noon.

From the Mayor's Desk —

As the new guy with the gavel, I would like to take this opportunity to thank the voters of Lemont for their support in the April 7 election and welcome our newest Trustees, Paul Chialdikas and Rick Sniegowski. They will join Trustees Debby Blatzer, Cliff Miklos, Ron Stapleton and Jeanette Virgilio on the Village Board. Our pledge to you, the citizens of Lemont, is to place the best interest of Lemont citizens at the heart of every decision the Board makes. As a Board, we intend to continue the path to secure Lemont's future through fiscal responsibility, a firm commitment to public safety, creative economic development, and intergovernmental coordination and cooperation.

The Village's Financial Health

After 6 years as Chairman of the Finance Committee on the Village Board, no one is more conversant with the financial challenges facing the community in the current economic climate. The overall Village revenues for this fiscal year are projected to decrease by 29%. The \$20.5 million budget passed by the Board in April represents a 36% decrease in expenditures from the previous year. In order to balance the budget, it was necessary to use a substantial portion of the contingency reserve in the General Fund. Our goal is to weather this storm by paring expenditures to the minimum without reducing the level of services to our residents. Some planned capital projects and equipment replacements are being deferred, a few positions have been eliminated at the Village Hall and salaries have been frozen for all staff. On a positive note, for the second consecutive year, the Village has been awarded the Certificate of Excellence by Government Finance Officers Association for its Comprehensive Annual Financial Report. This is the highest form of recognition in the area of governmental accounting. Congratulations are due to Village Administrator Gary Holmes and Village Treasurer Jean Nona for their efforts. The report is online at www.lemont.il.us.

Mayor's Message cont'd on p. 2

Mayor's Desk *(cont'd from Pg. 1)*

Police Department Moves Into New Quarters

The Village Board is justifiably proud of the new Police Facility at 14600 127th Street. The \$9 million building is spacious and should take care of the Department's needs for the next decade, providing modern facilities for the patrol, investigations and crime prevention divisions along with an operations center for the Lemont Emergency Management Agency. Chief Kevin Shaughnessy has planned a series of open houses for the community. I would encourage all of you to visit the new station if you have the opportunity. Trustee Cliff Miklos, Public Safety Chairman, took a very active role in planning and overseeing the construction of the new Police Department.

Construction Season Underway

Thanks to federal stimulus funds channeled through the Southwest Conference of Mayors and the State of Illinois, IDOT is making repairs and will completely re-deck the Lemont Road Bridge. Preliminary work has already begun. During most of the project, one lane should be available to traffic but there are likely to be intermittent bridge closures throughout the summer. We will do our best to provide advance notice on any closures that occur on the Village web site and Channel 6. Long overdue resurfacing of New Avenue from Lockport Street to Archer Avenue, and Archer Avenue from Rt. 83 to 135th Street will begin around July 1. Federal stimulus funds have also been committed to install the traffic signal at Timberline Drive and 127th Street. Design and engineering of the intersection is ongoing this year, with actual construction in 2010. A complete listing of IDOT and Village construction projects and their estimated start and completion dates is on page 4 of this newsletter.

Economic Development

The Main Street utility extension (Village project) is underway to bring water and sewer to the commercial properties along Main Street. Cook County will complete the extension from Maley Road to Camp Sagawau. The availability of these utilities should provide the incentive for attracting commercial development in the newly formed TIF area encompassing the junkyard parcels. A special service area has been put in place to finance the extension through special assessments to the benefiting properties.

Intergovernmental Cooperation

The Village has maintained positive relationships with its counterpart agencies including Lemont Township, the School and Fire Districts, Library and Park District Boards and has found many opportunities to combine forces and finances on projects that benefit the entire community. We will continue to look for ways to foster this kind of collaboration. Not too long ago, we became aware that Lamar Advertising has filed suit against Cook County because of the County's decision to deny the permit for the billboards along the tollway in Lemont. The Village is obligated to intervene in the lawsuit. Although we had all hoped that the billboard issue is closed, apparently it is not. We will keep you informed as the legal proceedings progress.

Local government functions at its best when it has the participation of its citizens. Get involved! If you are interested in serving on one of the Village advisory commissions, please contact my office at (630) 257-1590. Finally, let me say that I am always open to your suggestions and comments either by phone at the Village Hall or via email at breaves@lemont.il.us.

Mayor Brian Reaves

IT'S IN OUR HANDS

Everyone Counts in Lemont!

April 1, 2010 is Census Day

In March, 2010, each household in Lemont will receive a 10-question form from the U.S. Census Bureau. One in every 12 households will receive a longer questionnaire.

**IT IS IMPORTANT TO YOU
AND TO YOUR COMMUNITY
TO FILL OUT AND RETURN
THE QUESTIONNAIRE.**

Why?

- **Funding.** Each year the federal government distributes \$300 billion in government funding for critical community services. The funds are distributed based on the census count. Without a complete count, Lemont may not receive its fair share and could miss out on funding for social services, education and road improvements.
- **Representation.** Census data also determines how many seats each state will have in Congress and impacts redistricting of state and local districts.
- **Jobs.** The Census Bureau will need personnel to conduct the census – meaning jobs for our community. Information regarding employment opportunities can be found at www.census.gov/2010census.

**WE ARE COUNTING ON
YOU TO BE COUNTED IN
THE 2010 CENSUS!**

Meet Your Elected Officials

Mayor Brian Reaves has been a resident of Lemont for the past 15 years. For the past 6 years, he served on the Village Board as Finance Chairman, directly involved with determining spending priorities within the context of the annual and 5-Year Capital Improvement budget. Mayor Reaves is the President/owner of Integrated Warehouse Systems and managing partner of RTBK Holdings, LLC.

Village Clerk Charlene Smollen has served the Village of Lemont as Clerk for the past 24 years, now beginning her 7th term. The Clerk serves as primary election official for the Village. Charlene also attends and takes minutes of all regular and special meetings of the Board and is custodian of all official Village documents. Some of the Clerk's additional duties include voter registration and approving tag day permits.

Debby Blatzer is the senior Trustee on the Village Board, serving for the past 10 years as Chair of the Public Works and Engineering Committee. Trustee Blatzer works closely with these departments to ensure that Village streets, alleys, and water/sewer systems are regularly maintained. She is in frequent contact with residents regarding public works and engineering issues.

Paul Chialdikas is beginning his first term on the Village Board, and has been appointed by the Mayor to chair the Economic Development Committee. This committee works closely with the Community Development Department in marketing, development and business retention policies. Trustee Chialdikas brings previous experience on the Planning and Zoning Commission to this position.

Clifford Miklos is beginning his second term on the Village Board and serves as Chairman of the Public Safety Committee, working closely with Police and LEMA personnel to ensure that the public safety of our residents receives the highest priority. Trustee Miklos has been closely involved with the planning, construction and oversight of the new Police Facility at 14600 127th Street.

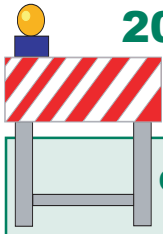

Rick Sniegowski was appointed by the Mayor to fill a vacant seat on the Village Board, and will be Chairman of the Finance Committee. Trustee Sniegowski has previously served on various advisory commissions, including the Committee that recently drafted the Unified Development Ordinance for the Village, and most recently on the Planning & Zoning Commission.

Ronald Stapleton is in his second term on the Board, previously chairing the Economic Development Committee. In this term, Trustee Stapleton will serve as Chairman of the Community Development Committee. Zoning, land use, new developments and the Building Department are covered under this Committee.

Jeanette Virgilio is beginning her third term on the Village Board and will continue as Chairman of the Downtown Development Committee. Trustee Virgilio has been closely involved with the development and expansion of the Heritage Quarries Recreation area, and is liaison to committees involved with economic development and promotion of Historic Downtown Lemont and the I & M Canal through festivals, events and marketing.

2009 ROAD CONSTRUCTION PROJECTS UNDERWAY

CONSTRUCTION PROJECTS

ESTIMATED COMPLETION

Lemont Road Bridge Redecking (IDOT)	May 15 - October 30
Main Street Utility Extension Rt. 83 to Maley Road	May 15 - July 30
Norton Drive/Norton Ave. Resurfacing	May 15 - June 30
Derby Road Resurfacing 131st Street to Archer Avenue	June 15 - July 30
Archer Avenue Resurfacing (IDOT) Rt. 83 to 135th Street	July 1 - August 15
New Avenue Resurfacing (IDOT) Lockport Street to Archer Avenue	July 1 - August 15
State Street Resurfacing 127th Street to Illinois Street	August 15 - Sept. 30
127th Street Resurfacing New Avenue to Smith Road	August 15 - Sept. 30
Traffic Signal Timberline Drive & 127th Street	Engineering 2009 Construction 2010

For additional information on any of these projects, please contact Dan Fielding, Public Works Director at (630) 257-2532.

Mosquito Abatement

This year the Public Works Department will manage the Village's mosquito abatement program. Six employees have been licensed through the Illinois Department of Agriculture to perform the application. Residential spraying will be limited only to periods of excessive annoyance. Storm drains will be treated regularly because control of larvae is critical to the success of any mosquito abatement program.

How Can You Help?

- Promptly remove standing water from all pots, containers and tire swings around the yard; mosquitoes can develop in only 5 days.
- Keep weeds and grass mowed; keep gutters free of leaves and debris so water runs freely; change water in bird baths once a week.
- Clean and chlorinate swimming pools, outdoor saunas and hot tubs regularly; drain water from pool covers.
- Take all recommended precautions to avoid mosquito bites; use DEET insect repellent when outdoors.

For more information, contact the Public Works Department at 630-257-2532.

Odd-Even Watering Regulations in Effect

Properties with odd-numbered addresses may water on odd-numbered calendar days; even-numbered addresses may water on even calendar days between the hours of 6:00 p.m. and 10:00 a.m. Odd-even regulations apply until October 1.

On the day new sod is laid, residents may water freely (no permit required). Thereafter the odd-even regulations apply.

Lawn Sprinkler Valves Testing Required Annually

Lawn Sprinkler RPZ valves must be tested annually by a certified technician to prevent contamination of the public water supply by faulty valves. The RPZ valve is a backflow prevention device which prevents water from the sprinkler system from backing up into the Village water supply.

The inspection certificate must be submitted to the Building Department following the inspection. A list of certified inspectors can be found on the Village web site at www.lemont.il.us in the Download Directory.

2 Year Vehicle Stickers on Sale Now!

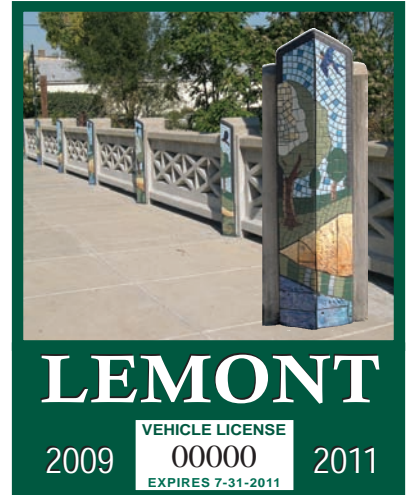

Deadline is July 31

Discounted Price through July 31

FEE SCHEDULE

SHOP LOCAL – SHOP LEMONT

Lemont's local business community offers consumers a broad array of choices and more new businesses are opening to add to the options! Before you head off on your next shopping trip, consider these five reasons to shop local, and enjoy shopping Lemont.

- 1. Get what you want.** Lemont's businesses offer a wide range of great products and services. Local restaurants serve up great food and good times. Lemont's businesses provide services to meet your every need, from an oil change to a manicure. The Lemont Area Chamber of Commerce provides a great directory of local businesses on their website www.lemontchamber.com
- 2. Support your neighbors.** Lemont's local businesses are owned, managed, and staffed by your neighbors. Shopping local supports local entrepreneurs and creates local jobs.
- 3. Save money, time and the environment.** Choosing to shop local saves you gas and time; less gas means money saved and fewer pollutants in the environment.

**Belle De Jour - In Style, 114 Stephen Street
Grand Opening Celebration**

- 4. Support businesses that invest in our community.** Local businesses give back to Lemont in a variety of ways—through schools, charities and community events.
- 5. Keep Lemont unique.** Lemont is a community with unique character and locally-owned businesses. Help us retain our local identity.
