**Minimum 24 Hour Notice is Required to Schedule an Inspection.** Inspections will be scheduled on a first come - first served basis and are subject to availability. Morning inspections will begin as early as 8:00am. Afternoon inspections will begin at 1:00 p.m. Plumbing inspections will usually be performed late afternoon/early evening. All inspections are performed Monday-Friday. To be considered for a next day inspection, your request must be received by 2:00 pm. You will receive an email confirming your inspection request. Cancellations must be received no later than 8:00 am the day of inspection.
