

## Mayor's Charity Fund

Golf season is upon us and it's time for the 2024 Mayor's Drive for Charity to raise funds for those in need in the Lemont community.

We hope you will join us as we all come together for a great day of golf that benefits our local charity organizations to help them meet their goals. These charity organizations and volunteers are passionate about bettering the lives of others and our community. Your generous contribution helps them to achieve another year of success in that regard.

You can do this by signing up for golf, being a sponsor through any number of the Sponsorship Opportunities provided, and even donating a raffle item. Any contribution will make a tremendous impact in our community to those in need.

As always, thank you for your support,

Mayor John Egofske
